

## Croatia Tunnelling Society presented major events of WTC15 at the InnoTrans trade fair in Berlin, September 23<sup>rd</sup>-26<sup>th</sup>, 2014.

InnoTrans is the largest rail industry event in the world, held every two years at the Messe Berlin exhibition Centre in Germany.

Innovations, products and services in rail technology were presented in Berlin by 2,758 exhibitors from 55 countries in four days. InnoTrans was a superlative industry event where ITA Croatia was a part of a record exhibitor and trade visitor number.

There was expansion in all the relevant categories at the leading international trade fair for transport technology considering number of booths and participants. The highlight of InnoTrans was the presentation of 145 new rail vehicles on the outdoor display area and the rail track. Most of exhibitors

obtained a positive overall impression of InnoTrans and are expecting successful follow-up business. ITA Croatia utilized exceptional chance to be in the center of a swarm trade visitors. Numerous foreign civil engineers, producers and even media presenters from more than 100 countries

ITA Croatia

visited Croatian booth showing an interest for participation to the World Tunnel Congress ITA WTC 2015 that will be held in Dubrovnik, May 22<sup>nd</sup>-28<sup>th</sup>, 2015. ITA Croatia delegation was presenting WTC2015 technical program and exhibition floor plans where companies were able to choose and pre-book their booth positions. Location of booths could be chosen according to companies' preferences and interested exhibitors were provided with all the detailed information regarding World Tunnel Congress organization and adjacent events.

For those who weren't been able to visit our booth at the InnoTrans, the official congress web page [www.wtc15.com](http://www.wtc15.com) offers detailed information on technical program and business opportunities, programs for technical excursions but also other for accompany persons as well as many touristic visits for participants and their friends.

See you in Dubrovnik next year!
